Council President Robb Pitts
Members of the Atlanta City Council
City Hall 2nd Floor Suite 2900
55 Trinity Avenue, SW
Atlanta, Georgia 30335

Dear President Pitts and Members of Council:

I hereby return with my veto, Ordinance # 01-O-1702

On December 3, 2001 the Atlanta City Council adopted Ordinance # 01-O-1702 authorizing the establishment of the Arts Council of the City of Atlanta for the purpose of providing guidance and support for the arts in the City of Atlanta, and for other purposes.

While I am supportive of enhancing the arts in our City, this legislation is premature and inappropriate at this time. For instance, one initiative in Ordinance # 01-O-1702 calls for the development of an "art plan". The City already has an "Arts Blueprint for Action" that is in the process of being updated. To create another distinct plan would be counterproductive and a duplication of effort. Additionally, the City of Atlanta and the Fulton County Arts Council have a good partnership and are working diligently to assist the Bureau of Cultural Affairs with a vision for future growth.

The Mayor-Elect and next City Council should be given an opportunity to review a substantive public policy issue of this nature and make a decision about its practical application.

For the aforementioned reasons, I have vetoed this piece of legislation.

Sincerely,

Bill Campbell
